

Tool Library Membership Form

The Mission of our tool library is to empower farmers by making a wide variety of tools available thus increasing efficiency of local food production and supporting development of agriculture in Northern New Mexico.

El propósito de nuestra colección de herramientas que se prestan es poner en las manos de los agricultores una gran variedad de herramientas que puedan necesitar para completar su labor; de esta manera estamos aumentando la eficiencia de la producción de comestibles locales y apoyando el desarrollo de la agricultura en la parte norte del estado de Nuevo México.

Membership and access to the tool library is free, however we strongly urge you to join **The National Young Farmers Coalition**. Our chapter is the Northern New Mexico Young Farmers Alliance.

Check in/ Check out times are generally from one Saturday to the next. If you need a tool for more than one week, special arrangements must be made in advance. The tool library only works if we all treat the tools and equipment like our own and return them promptly and in good condition for the next farmer to use.

By signing below, I agree to accept liability for any tools or equipment checked out. I understand that should any damages or loss occurs while the equipment is in my possession, I will be held fully responsible and liable for the full amount of the repairs/replacement of the equipment.
